My Shimmering - When I was young I thought the world was a certain way. I imagined the universe something fixed, unyielding and rigid. So, my unknowable instruction, my slimmest hope was set forth. To somehow fit in, to contort myself, compress myself, lose myself. Cutting at intricate edges; but life, self-turning, was all shimmering. Then a willfulness, a warming dlow in timeless light at last. So thinking it was my job to change myself, all shimmering. Now I know it to change the world

Dedication

Mr. Peter Wallett and Mr. Don Markie

We the MRUHS class of 2010 want to give a special thanks to a pair of men who stepped forward this year to take the reigns and fill the important role as co-principals. Their combined efforts helped assure that our senior year was indeed something we can take pride in. They stepped up and went beyond the call of duty and for that we are pleased to dedicate this yearbook to Mr. Markie and Mr. Wallett.

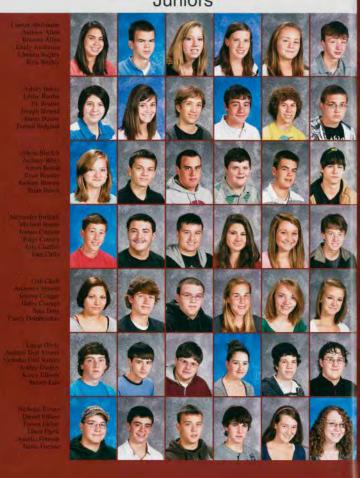

A tough and strong, yet soft and caring individual, who always seems to find the time to talk, guide and keep us on the straight and narrow. A person who takes the time to get involved; someone who always seems to be around to help. For all those reasons, and for so many more, we the MRUHS class of 2010 take great pride in presenting this yearbook appreciation to Mrs. Bride!
